ENRICHING ACADEMICS THROUGH COMMUNITY SUPPORT

Dear Potential Business Sponsor,

We've all heard the expression, "It takes a village to raise a child." At the Skaneateles Education Foundation (SEF), we believe it also takes a village to educate a child. SEF functions as a conduit between our schools and the community. We unite parents, families, alumni, and businesses to leverage community support to enhance student engagement and learning.

For 16 years, the Skaneateles Education Foundation has been funding grants and programs that span all academic disciplines and all grade levels K-12. Since 2009, SEF has funded approximately \$520,000 in grants that have directly impacted Skaneateles Schools. That is a tremendous number for a district of our size. It represents the commitment and generosity of this community to not only provide our children with an excellent education, but to also provide them with opportunities and experiences to discover new facets of learning— sparking engagement, enrichment, inspiration, and creation.

As a Business Sponsor, we invite you to join SEF in our mission to support excellence within Skaneateles Schools. This is not simply an appeal for funds. It is an invitation to participate in the educational future of our community. Enclosed, you will find our Business Sponsorship program detailing the three tiers of sponsorship. Please reach out to me directly with any questions, suggestions or ideas!

Thank you in advance for considering a commitment to the Skaneateles Education Foundation. Your support is critical to the success of our mission.

With Deep Appreciation,

GIVING OPPORTUNITIES

\$3,000 LEADER SPONSORSHIPS form the budget for SEF funding of Special Programs. These grants are applied for by building administrators and are focused on programs that are of a high priority within a school building. Examples have included character education curriculum and training, professional development in best literacy practices, and equipment for new STEM programming.

\$1,500 PARTNER SPONSORSHIPS form the budget for SEF funding of Laker Grants. Any staff member may compete in this category for resources that will enrich and improve student learning. Recently awarded Laker Grants have included an elementary morning yoga club, a live theatrical performance portraying historical figures, VEX robotic kits, and author visits.

\$500 ADVOCATE SPONSORSHIPS form the budget for SEF's small classroom grants. \$500 goes a long way for a teacher wanting to enhance student learning. Did you know that districts with education foundations are able to attract and retain high-caliber teaching staff? Access to these resources makes our teachers feel supported and empowered.
